FAITH CORNER:

KNOWING YOUR FAITH – What should we confess in the Sacrament of Penance? We should confess all grave sins with their approximate number of times together with any extraordinary circumstances which may have attended them. **Venial sins may also be confessed without any exaggerations.**

Confession restores the complete life of the soul, all merit from good works, the removal of punishment due to any sins, along with great peace. We can go to confession anywhere and almost at any time or place such as in the Church confessional, in a hospital, auto, rectory, home, or while walking. Confessions may be made with anonymity or face to face, but always with respect.
