FAITH CORNER

SACRAMENT OF HOLY ORDERS

THE SACRAMENT OF THE GREAT GIFTS TO OUR PRIESTS –

What does Ordination do for men who are newly ordained priests?

a) Priestly ordination imprints the souls of the men being ordained with an indelible or unremovable mark of the sacred priesthood; b) it bestows the powers to offer the Holy Sacrifice of the Mass for the living and for the dead; c) it increases sanctifying grace; d) and it strengthens the newly ordained priest to live a good priestly life, fulfill his priestly duties, and attain eternal salvation. As long as there are human beings on this earth, the spiritual ministry for which, primarily, the priest is ordained will always be needed and wanted. Indeed, there is scarcely a more meaningful, a more satisfying, and a more important work to which a person can be dedicated than to proclaim the Lord's available salvation as one of His priests. Any capable youth who feels that he or she may possibly have some God-inspired desire to think a bit further about how to be admitted into a seminary to prepare to become a priest or brother or into a convent to become a Sister should pray over it, then consult a wise priest.
