Living the Gospel by sending food to developing countries...

Irma is a 29-year-old single mother to four children in El Salvador. Her children suffer from malnutrition because she earns just \$5 per day selling household items at an outdoor market. A local charity reached out to Canadian Food for Children (CFFC), a ShareLife-funded agency. CFFC began sending shipments to her community that include food, clothing, and toys. Irma is relieved to receive ongoing support to help her feed her family. Please make a sacrificial gift to ShareLife through your parish or **sharelife.org**
