## **Development and Peace – 50<sup>th</sup> Anniversary**

**Did you know** that Development and Peace was founded in 1967 by the Canadian Catholic Bishops after their participation in Vatican II where they listened to the concerns of the Bishops from the Global South about poverty, hunger, etc? **Did you know** that in the 70's, governments in many parts of the Global South violently suppressed dissent? Development & Peace stood with the poor during their struggles for liberation in countries such as apartheid South Africa and Marcos' Philippines. **Did you know** that in the early eighties a severe famine caused by drought killed more than 400,000 people in Ethiopia? Development and Peace launched an emergency appeal and raised \$20 million to aid those most affected. **Did you know** that as pressure to privatize the natural resource of water increased, Development and Peace focused on water as a human right and campaigned for public control of water systems in areas where millions of people suffer from water scarcity? **Did you know** that after the devastating earthquake in 2010, Canadians donated \$21 million to Development and Peace to provide for the needs of people in Haiti?
