**Working wonders for the elderly...**

Elva is a client in her late 70's who spent her life overcoming the challenges of Spine Bifida. Despite her physical disabilities, Elva travelled the world as a music teacher and pianist for the national Ballet in Canada. Wheelchair-bound for the last 25 years, Elva gradually found herself less able to continue playing the piano and doing the things she enjoyed. Last year, the Society of Sharing matched Elva with a friendly visitor, Adam a young university student, with whom she can converse with as though there were no age difference. Adam is seen as an encouraging and familiar friend and someone to share ideas with as well as assist her with her cell phone, computer and printer. With his help, Elva is able to go to out to the movies or see local sights. Because of Adam, Elva's world has opened up and she is now reconnected to her community and able to share her incredible gifts of wit, intelligence, and positive attitude, giving her a renewed sense of meaning and purpose. This year, our support for ShareLife will help to expand this volunteer model into the Peel Region to assist seniors in this area. Last year ShareLife-supported agencies provided outreach programs that met the needs of over 2,200 seniors. This year, with your support, we can do more to help the elderly within our archdiocese.

**Next ShareLife Sunday is May 29, 2016** Please give generously. You can work wonders!

**19<sup>th</sup> Annual National March for Life™**
