SHARELIFE Living the Gospel by helping the vulnerable in our society...

Tim and Donna met 25 years ago and have made the Friday and Saturday social nights at Our Place a regular part of their lives. Their intellectual capacity is somewhat limited but they do maintain their own independent apartments. While Tim is currently caring for his aging mother following her recent surgery, Donna is able to support Tim by cooking meals and offering caring attention. As Tim overcomes some social shyness in his own life, he also takes cares of some of Donna’s daily needs with household chores, and working on the computer. The support role ShareLife plays enables Our Place to be a caring partner to these vulnerable people. **ShareLife funded agencies like Our Place helps many intellectually disabled men and women through compassionate and caring support. Next ShareLife Sunday is May 7, 2017 Please give generously.**
