"I would like to take this opportunity to encourage the community of Peel to be a part of the healing journey with Catholic Family Services of Peel-Dufferin (CFSPD). It's a great organization that demonstrates care, support and compassion toward our well-being and healing processes. Since I began with this agency, it has been a transformational experience. I have gained so much knowledge and insight about myself and others and have made great friends and enjoy meeting new people. I would like to thank ShareLife and CFSPD for allowing me this opportunity to be part of their family and am very grateful for all the services they provided for me and the community at large."—Debbie, a client of the CFSPD sistering program. Over 39,000 individuals received help in getting their lives back on track through ShareLife-supported family services programs. SOWER'S SEEDS OF VIRTUE: GRAINS OF CARING

Two brothers worked together on the family farm. One was married and had a large family. The other was single. At the day's end, the brothers shared everything equally, produce and profit. Then one day the single brother said to himself, "It's not right that we should share equally the produce and the profit. I'm alone and my needs are simple." So each night he took a sack of grain from his bin and crept across the field between their houses, dumping it into his brother's bin. Meanwhile, the married brother said to himself, "It's not right that we should share the produce and profit equally. After all, I'm married and I have my wife and children to look after me for years to come. My brother has no one, and no one to take care of his future." So each night he took a sack of grain and dumped it into his single brother's bin. Both men were puzzled for years because their supply of grain never dwindled. Then one dark night the two brothers bumped into each other. Slowly it dawned on them what was happening. They dropped their sacks and embraced one another.
