ADVENT, from the Latin **Adventus**, signifies a **Coming**. According to

Saint Gregory of Tours, the celebration of Advent began in the 5th century when the Bishop Perpetuus directed that starting with St. Martin's Day on the 11th of November until Christmas, one fasts 3 times per week; this is why Advent was sometimes also named "Lent of St. Martin" It's a time for pause, reflection, and preparation for the *gift of God's love coming to us through the baby Jesus*. It is also a reminder of the Old Testament that promises of the coming of the Messiah. The Advent tradition of **The Jesse Tree** consists of symbols of the Messiah *coming from the line {Root} of Jesse.....(Lk 3:23-38)*

"Advent is a journey towards Bethlehem. May we let ourselves be drawn by the light of God made man."

...**Dope Francis**

"The giver of every good and perfect gift has called upon us to mimic God's giving, by grace, through faith and this is not of ourselves. Give thanks to God, not to me. I am only a vessel of clay, a poor sinner."**St. Nicholas**

PROPERTY & BUILDING UPDATE & VIDEO

On the weekend of September 27/28, a video presentation was shared at the end of the 3 weekend masses. This presentation considered the history of the area, the establishment & growth of St. Ambrose parish since 1955, and the parish to address a number of building and property issues of the church. This presentation can still be viewed at www.stambroseparish.com/photo-gallery.html Based on a Preliminary Property Assessment Report commissioned during the summer, the many issues were found, such as:

- Remove existing asphalt and regrade and repave the parking lot
- Excavate and repave the inside of the garage
- Replace many existing window wells around the building
- Address water ingress damage to the church walls
- Address the church front steps
- Brick repointing as needed
- Replace church and rectory AC units
- Replace the church sign near Browns Line
- Chimney on south-west side of church roof needs to be taken down
- Repair the flat roof over the mechanical room
- Replace carpets, install flooring for some of the rooms in the hall basement
- Repair the northwest stairs by the garage
- Update lighting in the hall
- Add a backflow preventer to the hall
- Possibly replace the main church doors
- Kneeler and pew repairs in the church

In the Property assessment report, it was estimated that the **total costs of these repairs would be at least \$450,000**. Currently, we have we have over \$79,000 on deposit with the Archdiocese of Toronto, and roughly \$88,000 in our Family of Faith account with the archdiocese. Over the last few months, parishioners have donated over \$55,000 through our Building Fund that is being deposited with the archdiocese; until that time that we begin these repairs. However, *this still leaves us needing to raise at least another \$220,000 in the near future.*

I urge you to give generously to the Parish Building Fund, both before the year end and in 2025. We have an agreement with the archdiocese that **we can keep 100% of your donations to the Building Fund until**

the end of 2025, unlike the 15% tax we pay to the archdiocese on our regular offertory collections.

God bless you! *Fr. Michael Machacek*
