THE GAME CHANGERS DOCUMENTARY - COMING SOON TO ST. AMBROSE!!

The Game Changers is a new film executive produced by James Cameron, Arnold Schwarzenegger and Jackie Chan that documents the explosive rise of plant-based eating in professional sports, mixing real-time, groundbreaking science with cinematic stories of struggle and triumph. The film features some of the strongest, fastest and toughest athletes on the planet - and it's backed by them too - with additional EPs including Formula One champion Lewis Hamilton, top-ranked tennis player Novak Djokovic, and nine-time NBA All-Star Chris Paul. Directed by Oscar®-winner Louie Psihoyos, The Game Changers follows the story of James Wilks - elite Special Forces trainer and winner of The Ultimate Fighter - as he travels the world on a quest for the truth about meat, protein, and strength. Showcasing elite athletes, special ops soldiers, and visionary scientists. Wilks' journey exposes outdated myths about food that not only affect human performance, but the health of the entire global population.

Custodia Home Management Plan (HMP)

A customized plan that organizes all of your home services into one low monthly fee and executes each service automatically, on-schedule. Snow, Lawn, Yard Cleanup, Garden, Gutters, Windows, Maintenance, Handyman, and more. When we built Custodia, we started by learning what seniors and their families need help with most. It was rarely one simple thing like, cut the grass or fix the toilet. More often it was a bunch of little things they needed throughout the year. *That's why we built the Home Management Plan (HMP).* To ask any questions, call us TOLL-FREE 1-833-410-HELP and we will customize your plan that suits your specific needs. We live by referrals, so if you know a senior who needs our help, please let us know! Email: service@custodia.com 1-833-410-HELP (4357) www.custodia.com
