PRO-LIFE MESSAGE - Life: An "Epiphany" of God

"Life is always a good....Why is life a good? This question is found everywhere in the Bible, and from the very first pages it receives a powerful and amazing answer. The life which God gives man is quite different from the life of all other living creatures, in as much as man, although formed from the dust of the earth (cf. Gen 2:7, 3:19; Job 34:15; Ps 103:14; 104:29), is a manifestation of God in the world, a sign of his presence, a trace of his glory (cf. Gen 1:26-27; Ps 8:6). This is what Saint Irenaeus of Lyons wanted to emphasize in his celebrated definition: 'Man, living man, is the glory of God'. Man has been given a sublime dignity, based on the intimate bond which unites him to his Creator: in man there shines forth a reflection of God himself" (The Gospel of Life, n. 34).

Practice Random Acts of Kindness!

1) Take the opportunity in conversations with friends to tell them about kindnesses you have experienced and ask about their experiences. Just talking about acts of kindness brings them alive in the world. 2) Get your children to go through their toys and put aside those they want to donate to children who are less fortunate.
