### **FAITH CORNER**

### **WHAT IS THE SACRAMENT OF THE ANOINTING OF THE SICK?**

**The Sacrament of the Anointing of the Sick is the Sacrament for Catholics who are seriously ill as a result of some sickness or old age. Through it Christ strengthens the faithful who are afflicted by any illness, providing them with the strongest means of support.**

Suffering and illness have always been among the greatest problems to challenge the human spirit. Christians experience pain as do all people; yet their faith helps them to grasp more fully the mystery of "whys" and to bear their pain more bravely. From the words of Jesus they realize that their sickness can have meaning and value such as toward their own salvation and that of the world. They also know that Jesus loves the sick and that during His life He often visited and healed the sick.
